

Gerber Amalgamated LLC Presents

**"Practicing Law with an iPad,"
a 1 credit CLE class**

Look around your firm or your courthouse, and you will see more and more attorneys practicing with lightweight yet powerful tablet computers, particularly Apple Inc.'s iPads. Whether you have already purchased an iPad or are still considering if the investment is warranted, this 50-minute, 1 credit CLE class in the area of Law Practice Management will:

- help you set reasonable expectations for working an iPad into your practice
- make you aware of the security implications of using an iPad, especially with respect to client materials transferred to and stored on the iPad
- review the iPad software applications designed for attorneys
- identify additional resources to help you stay up-to-date with the technology.

Faculty: This class will be taught by Carol J. Gerber, J.D., M.A., a lawyer and educator with over ten years of experience helping lawyers work technology into their practices.

Financial Hardship Policy: Gerber Amalgamated LLC has a financial hardship policy offering fee reductions to attorneys on a case-by-case basis. For additional information please contact us at the address below.

CLE Credit: This transitional continuing legal education course has been approved in accordance with the requirements of the New York State Continuing Legal Education Board for a maximum of 1 credit hour, of which 1 credit hour can be applied toward the Law Practice Management requirement.
